

Book Launch and Signing

Authors Judy & M.D. Smith

Their latest book of Short Stories

Book Two of Judy & M.D.'s stories have more variety than the first edition. The authors cover a wide range of non-fiction topics from their intimate childhood memories to their children's' tales and the menagerie of pets raised over the years. Enjoy Judy's story style of some current recent memories like the Walmart story.

M.D. covers married students at UofA days, disk jockey experiences, a unique visit to a New Orleans cemetery with a surprise, and a variety of other topics. The table of contents will hint at them for you.

For the very first time, the last third of the book is filled with fiction short stories. Types range from Sci-Fi to historical based fiction that reads like a novel. Some of Judy and M.D.'s non-fiction stories have appeared recently in Old Huntsville Magazine.
